Dear Shareholder

We are writing in connection with the Company's forthcoming Annual General Meeting (the "AGM"). The AGM will be held on 17 December 2021 at 11 a.m. at Suite 2, The View, Harbour Reach, La Rue De Carteret, St. Helier, Jersey, JE2 4HR.

Company Update and Continuation of Investing Policy

As an AIM-quoted investing company, the Company is required, under AIM rule 8, to seek the consent of shareholders for the continuation of its investment policy at this AGM. Along with the Board's unanimous recommendation to vote in favour of Resolution 1, the Company's largest shareholder, Marwyn Investment Management LLP, acting as agent for and on behalf of its discretionary managed clients, has confirmed its continuing support of the investing policy.

The Directors have engaged with a number of incoming and actively progressed management team and investment opportunities during 2021. Following platform acquisition opportunities that aborted close to completion in 2018 and 2019, the Directors are highly cognisant of only progressing an opportunity to the final stages when that opportunity has a high degree of execution certainty and the potential to maximise shareholder value creation going forward. The Directors believe that the Company's AIM listing and seed capital provide a compelling opportunity to secure an industry-leading executive team to pursue a buy and build strategy in the current market. Such opportunities will continue to be rigorously assessed.

Annual General Meeting

Notice of the AGM is given on page 5 (the "Notice").

Shareholder Resolutions

Resolutions 1 to 6 in the Notice set out the ordinary resolutions to be proposed at the AGM. Resolution 7 sets out the special resolution to be proposed at the AGM.

Further explanation of each of the resolutions is set out below.

Resolution 1 – Continuation of investment policy

The Company has not substantially implemented its investment policy since Admission. On that basis, in accordance with AIM Rule 8, Resolution 1 proposes that Shareholders approve the continuation of the investment policy. This authority shall expire on the earlier of the Company's next annual general meeting or such time as the investment policy has been substantially implemented.

Resolution 2 – Annual Report and Financial Statements

Resolution 2 proposes the adoption of the Annual Report and Financial Statements of the Company for the year ended 30 June 2021, together with the Directors' Report and the Independent Auditor's Report on those Financial Statements. The Company's Annual Report and Financial Statements are available on the Company's website, <https://www.marwynacplc.com/investors/reports-and-presentations/default.aspx>.

Resolution 3 – Election and re-election of Directors

The articles of association of the Company (the "Articles") require that one third of the Directors retire from office and offer themselves for re-election, and that each Director shall retire from office and stand for re-election at least every three years. James Corsellis shall therefore retire and offer himself for re-election in Resolution 3.

James's biography is available on the Company's website at <https://www.marwynacplc.com/about-us/board-of-directors/default.aspx>.

Resolutions 4 and 5 – Re-appointment and remuneration of the auditor

At every annual general meeting at which financial statements are presented to shareholders, the Company is required to appoint an auditor to serve until the next such annual general meeting. Baker Tilly Channel Islands Limited ("BT") has indicated its willingness to continue to act as the Company's auditor until the conclusion of the next annual general meeting. The Directors recommend BT's appointment and seek authority to fix its remuneration. The Company's Audit & Risk Committee has reviewed BT's effectiveness and the effectiveness of its audit process and recommends its re-appointment.

Resolution 4 proposes the re-appointment of BT as the Company's auditor and Resolution 5 authorises the Directors to fix the remuneration of the auditor.

Resolution 6 – Authority to allot shares or grant subscription or conversion rights

The existing power granted to the Directors to allot Shares (as defined in the Articles) expires at the conclusion of this AGM. This resolution asks shareholders to grant the Directors authority, pursuant to and in accordance with the Articles, to allot shares or grant rights to subscribe for or convert any equity securities in the Company into Shares up to a maximum of 447,222,224 Shares, representing two-thirds of the Company's issued share capital as at 30 November 2021, being the latest practicable date before the publication of this Notice.

Of this authority, 223,611,112 Shares are reserved for a fully pre-emptive rights issue. This is the maximum permitted amount under best practice corporate governance guidelines because the Directors consider it important to have the maximum flexibility to raise finance in order to enable the Company to respond to market developments. The Directors have no present intention of exercising such authority as they currently intend that any allotment of Shares or granting of subscription or conversion rights would not be carried out on a fully pre-emptive basis. If the Directors were to use this additional authority, then all of the Directors would submit themselves for re-election at the following annual general meeting of the Company.

This authority shall expire on the earlier of 15 months after the date of the passing of this resolution and the conclusion of the Company's next annual general meeting, save that the Company may before such expiry make an offer or agreement which would or might require equity securities to be allotted after such expiry and the Directors may allot equity securities in pursuance of that offer or agreement as if such authority had not expired.

Resolution 6 replaces a similar resolution passed at the annual general meeting of the Company held on 31 December 2020.

Resolution 7 – Disapplication of pre-emption rights

Resolution 6 seeks authority for the Company to allot Shares in the Company, however, Articles 20(a) to 20(e) of the Articles require that Shares or other equity securities allotted for cash are offered first to existing shareholders in proportion to their existing holdings. There may be occasions, however, when the Directors need the flexibility to finance business opportunities by the issue of Shares for cash without a pre-emptive offer to existing shareholders. This cannot be done under the Articles unless the shareholders have first waived their pre-emption rights. Accordingly, the passing of Resolution 7 would allow the Directors to allot Shares for cash without first offering the securities to existing shareholders.

The authority would be limited to:

- i. in the case of Resolution 7(i), allotments or sales in connection with pre-emptive offers (but where the authority to allot has been granted by Resolution 6(ii), by a rights issue only); or
- ii. in the case of Resolution 7(ii), otherwise up to 67,083,333 Shares, representing 10 per cent. of the issued share capital of the Company as at 30 November 2021, being the latest practicable date prior to the publication of this Notice.

The Directors confirm that they will only allot shares representing more than 5 per cent. of the issued share capital of the Company for cash pursuant to the authority referred to in Resolution 7(ii) where that allotment is in connection with an acquisition or specified capital investment (as defined in the Pre-Emption Group's Statement of Principles (the "Principles")) which is announced contemporaneously with the allotment, or which has taken place in the preceding six month period and is disclosed in the announcement of the allotment. In respect of the authority referred to in Resolution 7(ii), the Directors also confirm their intention to follow the provisions of the Principles regarding cumulative usage of authority within a rolling three-year period. The Principles provide that usage in excess of 7.5 per cent. of issued share capital of the Company (excluding treasury shares) should not take place without prior consultation with shareholders, except in connection with an acquisition or specified capital investment as referred to above.

The authorities sought under Resolution 7 will expire on the earlier of 15 months after the date of the passing of this resolution and the conclusion of the next annual general meeting.

If the Board determined, in connection with an acquisition, that it would be best funded through the proceeds of a cash placing in excess of this authority, a specific shareholder authority would be requested at that time.

Resolution 7 replaces a similar special resolution passed at the general meeting of the Company held on 31 December 2020.

Electronic communications

The Company may communicate electronically with its members in accordance with the provisions of the Electronic Communications (Jersey) Law 2000, as amended from time to time and the Articles. These provisions allow the Company to use its website to publish statutory documents and communications to shareholders, such as the Annual Report and Financial Statements, as its default method of publication.

As such, Notices of General Meetings (including AGMs), the Company's Annual Report and Financial Statements and other communications with shareholders may be published on the Company's website at www.marwynacplc.com. Reducing the volume of communications sent by post will not only result in cost savings to the Company but also reduce the impact that the unnecessary printing and distribution of reports has on the environment.

You will continue to be notified each time that the Company places a statutory communication on its website and may request a hard copy of any document at any time.

Recommendation

The Directors believe that the resolutions to be put to the AGM are in the best interests of shareholders as a whole and, accordingly, recommend that shareholders vote in favour of the resolutions.

Action to be taken

You are requested to vote electronically at www.signalshares.com; full instructions on the procedure for online voting are set out in the Notes to this Notice. If you hold your shares in uncertificated form, use the CREST electronic proxy appointment service as described in the Notes to the Notice of General Meeting as soon as possible, but in any event so as to be received by the Company's Registrar, Link Group, not later than 11 a.m. on 15 December 2021, being 48 hours (excluding non-working days) before the time appointed for the AGM. Completion of the form of proxy will not prevent you from attending and voting at the AGM if you so wish.

Yours faithfully

James Corsellis
Chairman

BY ORDER OF THE BOARD

Director

Date: 30 November 2021
Registered Office: 47 Esplanade, St Helier, Jersey, JE1 0BD

Notes:

The following notes explain your general rights as a shareholder and your right to attend and vote at this Annual General Meeting ("Meeting") or to appoint someone else to vote on your behalf.

1. To be entitled to attend and vote at the Meeting (and for the purpose of the determination by the Company of the number of votes they may cast), shareholders must be registered in the register of members of the Company at close of business on 15 December 2021 (or, in the event of any adjournment, close of business on the date which is 2 days (excluding non-working days) before the date of the adjourned meeting). Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the Meeting.
2. Shareholders, or their proxies, intending to attend the Meeting in person are requested, if possible, to arrive at the Meeting venue at least 20 minutes prior to the commencement of the Meeting at 11 a.m. (UK time) on 17 December 2021 so that their shareholding may be checked against the Company's register of members and attendances recorded.
3. Shareholders entitled to attend and vote at the Meeting are entitled to appoint a proxy to exercise all or any of their rights to attend, speak and vote on their behalf at the Meeting and at any adjournment of it. A shareholder may appoint more than one proxy in relation to the Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company.
4. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first named being the most senior).
5. A vote withheld option is provided on the form of proxy to enable you to instruct your proxy not to vote on any particular resolution, although it should be noted that a vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Meeting.
6. You can vote either:
 - by logging on to www.signalshares.com and following the instructions. You will need to log into your Signal Shares account or register if you have not previously done so. To register, you will need your Investor Code, which is detailed on your share certificate or available from the Company's Registrar, Link Group;
 - You may request a hard copy form of proxy directly from the Registrar, Link Group, on tel: 0371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00 - 17:30, Monday to Friday excluding public holidays in England and Wales; or
 - in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below.

In order for a proxy appointment to be valid a form of proxy must be completed. In each case the form of proxy must be received by Link Group at PXS 1, Link Group, Central Square, 29 Wellington Street, Leeds, LS1 4DL by 11 a.m. on 15 December 2021, together with, if appropriate, the power of attorney or other authority (if any) under which it is signed, or a duly certified copy of that power or authority. A shareholder must

inform the Registrar in writing no later than 11 a.m. on 15 December 2021 of any termination of the authority of a proxy.

7. If you return more than one proxy appointment, the appointment received last by Link Group before the latest time for the receipt of proxies will take precedence. You are advised to read the terms and conditions of use carefully. Electronic communication facilities are open to all shareholders and those who use them will not be disadvantaged.
8. The return of a completed form of proxy, electronic filing or any CREST Proxy Instruction (as described below) will not prevent a shareholder from attending the Meeting and voting in person if he/she wishes to do so.
9. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting (and any adjournment of the Meeting) by using the procedures described in the CREST Manual (available from www.euroclear.com/site/public/EUI). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
10. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & International Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by the latest time for receipt of proxy appointments specified in this notice. For this purpose, the time of receipt will be taken to mean the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
11. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001, as amended or equivalent circumstances set out in the Companies (Uncertificated Securities) (Jersey) Order 1999.
12. Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its

powers as a shareholder provided that no more than one corporate representative exercises powers in relation to the same shares.

13. As at 30 November 2021 (being the latest practicable business day prior to the publication of this Notice), the Company's ordinary issued share capital consists of 670,833,336 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at 30 November 2021 are 670,833,336.

14. Any shareholder attending the Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.

15. Copies of the Directors' letters of appointment or service contracts are available for inspection during normal business hours at the registered office of the Company on any business day from the date of this Notice until the time of the Meeting and may also be inspected at the Meeting venue, as specified in this Notice, from 11 a.m. on the day of the Meeting until the conclusion of the Meeting.

16. You may not use any electronic address (within the meaning of Section 333(4) of the Companies Act 2006) provided in either this Notice or any related documents (including the form of proxy) to communicate with the Company for any purposes other than those expressly stated.

A copy of this Notice can be found on the Company's website at www.marwynacplc.com
