

## **Compass Minerals to Present at the Citi 2012 Basic Materials Symposium**

November 13, 2012 8:01 AM ET

OVERLAND PARK, Kan.--(BUSINESS WIRE)--Nov. 13, 2012-- Compass Minerals (NYSE: CMP) announced today that the company's chief financial officer, Rodney Underdown, will present at the Citi Basic Materials Symposium in New York City on Wednesday, November 28, at 11:30 a.m. Eastern time. A copy of the accompanying slide presentation will be available by 8 a.m. that morning on the Compass Minerals website at [www.compassminerals.com](http://www.compassminerals.com). The live audio webcast also can be accessed at the company's website and will be archived for 30 days following the presentation.

### **About Compass Minerals**

Based in the Kansas City metropolitan area, Compass Minerals is a leading producer of minerals, including salt, sulfate of potash specialty fertilizer and magnesium chloride. The company provides highway deicing salt to customers in North America and the United Kingdom and specialty fertilizer to growers worldwide. Compass Minerals also produces consumer deicing and water conditioning products, ingredients used in consumer and commercial foods, and other mineral-based products for consumer, agricultural and industrial applications. Compass Minerals also provides records management services to businesses throughout the U.K. For more information, visit [www.compassminerals.com](http://www.compassminerals.com).
