

Compass Minerals to Present at the 2012 BMO Farm to Market Conference

May 1, 2012 4:15 PM ET

OVERLAND PARK, Kan.--(BUSINESS WIRE)--May. 1, 2012-- Compass Minerals (NYSE: CMP) announced today that the company's chief executive officer, Angelo Brisimitzakis, will present at the BMO Farm to Market Conference on Tuesday, May 15 at 3:30 p.m. Eastern Time. A copy of the accompanying slide presentation will be available by 8 a.m. that morning on the Compass Minerals website at www.compassminerals.com. The live audio webcast also can be accessed at the company's website and will be archived for 30 days following the presentation.

About Compass Minerals

Based in the Kansas City metropolitan area, Compass Minerals is a leading producer of minerals, including salt, sulfate of potash specialty fertilizer and magnesium chloride. The company provides highway deicing salt to customers in North America and the United Kingdom and specialty fertilizer to growers worldwide. Compass Minerals also produces consumer deicing and water conditioning products, ingredients used in consumer and commercial foods, and other mineral-based products for consumer, agricultural and industrial applications. Compass Minerals also provides records management services to businesses throughout the U.K. For more information, visit www.compassminerals.com.
