

## **Compass Minerals to Attend the BMO Capital Markets 2013 Global Metals and Mining Conference**

February 20, 2013 8:00 AM ET

OVERLAND PARK, Kan.--(BUSINESS WIRE)--Feb. 20, 2013-- Compass Minerals (NYSE: CMP) announced today that the company's chief financial officer, Rodney Underdown, will be attending the BMO Capital Markets 2013 Global Metals and Mining Conference in Hollywood, Fla., beginning Monday, February 25. In association with this conference, a new presentation with an updated business outlook will be available by 8 a.m. EST on February 25 on the Compass Minerals website at [www.compassminerals.com/presentation](http://www.compassminerals.com/presentation).

### **About Compass Minerals**

Based in the Kansas City metropolitan area, Compass Minerals is a leading producer of minerals, including salt, sulfate of potash specialty fertilizer and magnesium chloride. The company provides highway deicing salt to customers in North America and the United Kingdom and specialty fertilizer to growers worldwide. Compass Minerals also produces consumer deicing and water conditioning products, ingredients used in consumer and commercial foods, and other mineral-based products for consumer, agricultural and industrial applications. Compass Minerals also provides records management services to businesses throughout the U.K.
