

Compass Minerals Updates Guidance at the BMO Capital Markets 2014 Global Metals and Mining Conference

February 24, 2014 6:35 AM ET

OVERLAND PARK, Kan.--(BUSINESS WIRE)--Feb. 24, 2014-- Compass Minerals (NYSE: CMP) announced today that the company's chief financial officer, Rodney Underdown, will be attending the BMO Capital Markets 2014 Global Metals and Mining Conference in Hollywood, Fla., beginning Monday, February 24. In association with this conference, a presentation with an updated business outlook will be available by 8 a.m. EST on February 24 on the Compass Minerals website at www.compassminerals.com/presentation.

About Compass Minerals

Based in the Kansas City metropolitan area, Compass Minerals is a leading producer of minerals, including salt, sulfate of potash specialty fertilizer and magnesium chloride. The company provides highway deicing salt to customers in North America and the United Kingdom and specialty fertilizer to growers worldwide. Compass Minerals also produces consumer deicing and water conditioning products, ingredients used in consumer and commercial foods, and other mineral-based products for consumer, agricultural and industrial applications.
