New Modern Partner Community Addresses Digital Transformation, Continued Evolution of the IT Channel

LOS ANGELES, May 14, 2019 /PRNewswire/ -- (from 2019 SYNNEX Catalyst Conference) – SYNNEX Corporation, (NYSE: SNX), a leading business process services company, today announced the rebranding of its CloudSolv marketplace and community with the unveiling of Stellr. The new brand is built on SYNNEX’ ability to seamlessly implement emerging technologies to solve real business problems in an era of disruptive digital transformation.

Stellr eliminates barriers between hardware and connectivity to develop comprehensive solutions that address the convergence of cloud, mobility and IoT.

"Stellr guides partners to what's next before their customers even know what questions to ask," said Rob Moyer, Senior Vice President, Cloud Services, Mobility, and IoT, SYNNEX Corporation.

"Our vision for Stellr is to help our partners navigate, thrive and prosper in this era of digital transformation. We are building a modern marketplace that simply and easily aggregates and implements the best custom technology solutions to solve real business challenges," Moyer said. "We are excited to lead partners through this digital era with an end-to-end ecosystem that will help deliver more innovative solutions to end-users."

The Stellr brand includes a range of enhancements for partners including a new interface for the SYNNEX cloud portal, which will be followed by an updated website with access to a new virtual learning center. Stellr will continue to invest in its partners through a series of new benefits, tools and resources to be launched over the next year.
