

TD SYNnex Achieves AWS Premier Tier Services Partner Status in the AWS Partner Network

3/9/2023

FREMONT, Calif., & CLEARWATER, Fla.--(BUSINESS WIRE)-- TD SYNnex (NYSE: SNX), a leading global distributor and solutions aggregator for the IT ecosystem, announced today that it has achieved the Premier Tier Services Partner status in the Amazon Web Services (AWS) Partner Network (APN). The APN is a global community of AWS Partners that leverages programs, expertise, and resources to build, market, and sell customer offerings.

"TD SYNnex is proud to achieve AWS Premier Tier Services Partner status," said Reza Honarmand, SVP Global Cloud and Hyperscaler Transformation, TD SYNnex. "This has been a worldwide effort with teams across North America, Europe, Latin America and Asia Pacific. This achievement will help us to further accelerate our growth with AWS, giving our partners and their customers the added confidence that they are teaming with an AWS Premier Tier Services Partner to help deliver customer success and business outcomes."

To earn AWS Premier Tier Partner status, companies must complete a rigorous approval process through accreditations and certifications, must demonstrate a long-term investment in their relationship with AWS, and must have extensive expertise in deploying customer solutions on AWS. AWS Premier Tier Services Partners also have a strong team of AWS Trained & Certified technical consultants and have deep expertise in project management and professional services.

As an AWS Premier Tier Services Partner, TD SYNnex will continue to drive strategic initiatives with AWS around cloud migrations, AWS Storage Gateway Hardware Appliance and Public Sector, among other focus areas. TD SYNnex also achieved AWS Cloud Operations Software Competency, AWS Government Consulting Competency, and AWS Education Consulting Competency status as well as the AWS GovCloud (US) Delivery designation, and is a member of the AWS Managed Services Provider (MSP) program.

"TD SYNnex has been an invaluable partner for Red River as we continue to grow our AWS practice," said Brian

Roach, CEO of Red River, an AWS Services Partner and TD SYNEX customer. "We have excellent AWS capabilities on our team, and it gives our customers and staff even more confidence knowing that we have TD SYNEX's operational and technical resources as a force multiplier for our business."
