Disclaimer

This presentation is for informational purposes only and does not constitute an offer to sell, a solicitation of any offer to buy, or a recommendation to purchase any securities of or any of its affiliates (as such term is defined under the U.S. federal securities laws). The presentation shall not constitute a solicitation of a proxy, consent or authorization with respect to any securities. This presentation shall also not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdictions in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offering of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended.

Forward-Looking Statements

The statements in this presentation that are not historical facts are "forward-looking statements" within the meaning of the safe harbor provisions of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words such as "anticipate", "believe", "expect", "estimate", "project", "budget", "forecast", "intend", "plan", "may", "will", "could", "should", "predicts", "potential", "continue", and other similar expressions that predict or indicate future events or trends or that are not statements of historical matters. Such forward-looking statements are based on current expectations, estimates and projections about the industry and markets in which Yatra operates. Yatra's beliefs and assumptions are made by its management and are not predictions or guarantees of actual performance. Accordingly, actual results and performance may materially differ from results or performance expressed or implied by the forward-looking statements. No representation is made as to the reasonableness of the assumptions made within or the accuracy or completeness of any forward-looking statements or other information contained herein. Factors that could cause future results and performance to differ from the forward- looking statements include but are not limited to: (1) Yatra's history of operating losses; (2) competition in the Indian travel industry; (3) declines or disruptions in the Indian economy; (4) risks relating to any unforeseen liabilities of Yatra;(5) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, losses and future prospects; businesses and management strategies and the expansion and growth of the operations of Yatra; (6) the limited liquidity and trading of Yatra's securities; (7) changes in applicable laws or regulations; (8) the possibility that Yatra may be adversely affected by other economic, business, and/or competitive factors; and (9) other risks and uncertainties indicated from time to time in Yatra's filings with the Securities and Exchange Commission (the "SEC").

Yatra cautions that the foregoing list of factors is not exclusive. Additional information concerning these and other risk factors is contained in Yatra's most recent filings with the SEC. All subsequent written and oral forward looking statements or other matters are expressly qualified in their entirety by the cautionary statements above. Yatra cautions readers not to place undue reliance upon forward looking statements, which speak only as of the date made. Yatra undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.

Non-IFRS Financial Measures

In addition to the IFRS financial measures, this presentation includes certain non-IFRS financial measures, including Adjusted Revenue, Adjusted EBITDA (Loss), Net Revenue Margin and Gross Bookings. The non-IFRS measures have limitations as analytical tools and you should not consider them in isolation or as a substitute for an analysis of our results under IFRS as issued by the IAB. The Company considers these non-IFRS financial measures to be important because they provide useful measures of the operating performance of the Company, exclusive of unusual events or factors that do not directly affect what we consider to be our core operating performance and are used by the Company's management for that purpose. All non-IFRS financial measures are reconciled to their directly comparable IFRS financial measures. These reconciliations are presented in the Appendix at the end of this presentation.

Industry and Market Data

Industry and market data used in this presentation have been obtained from industry publications and sources as well as from research reports prepared for other purposes. While Yatra believes such information to be reliable, it has not independently verified the data obtained from these sources.

(1) Data as of 31 March 2023

Highly fragmented Corporate travel market, Massively Underpenetrated – Yatra largest player

Indian Corporate Total Travel and Entertainment Spends (INR Bn)

Highly Fragmented Corporate Travel Market

B2B Market expected to grow at 2x the overall travel market and approximately double over the next 5 years driven by:

- **GDP growth:** IMF projects 6.8% growth in GDP for India in 2023, implying higher business activity, and related travel
- **GST implementation:** ~10 Mn companies in India with registered GSTIN - greater scope for organized TMCs
- **Growth in MICE:** High margin (~20%) & high demand frequency; expected growth in off-sites, dealer meets

Highly fragmented market shifting towards online & organized segment

- Extremely fragmented and a large population of corporates are handled in an analog, inefficient manner with no digitization
- Top 13k companies account for 28% of volume
- Yatra is the largest player with 6% share of the 13,000 Mid-Large Enterprises
- Expect to generate 25% CAGR in the corporate business over the next 3-5 years

Note: The above is based on management estimate and Strategy& report prepared by management

Yatra sits at the Center of Business Travel Ecosystem in India

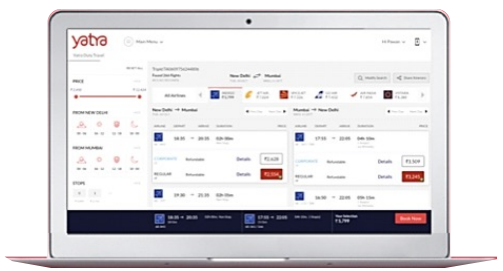

- Full bouquet of services available for customers through our various integrations and tie ups resulting in wide options to choose from
- Integrations with multiple GDS, HRMIS and expense management partners, hotel suppliers to provide complete solution for corporates

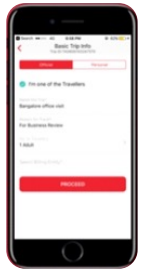

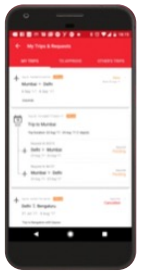

- Driving better yields for airlines partners through higher mix of corporate customers – Yatra Air Yield is 1.24x of Competitor 1 and 1.5x of Competitor 2
- Driving better visibility and predictability of revenue / bookings for both Hotel and Air partners, leading to higher utilization of asset base
