

Change in presentation

Reflecting the continued evolution of our specialized businesses

In the first quarter of 2026 Stryker announced certain organizational changes, including the establishment of the Ortho Tech business. Refer to the earnings press release dated April 30, 2026 for further information.

For the benefit of investors, we are providing additional information on our businesses and segment quarterly revenues for 2023, 2024 and 2025 that reflect the recently announced updates as if they had been effective for the periods presented.
