Simultaneous webcasts of the Company's presentations will be available on Stryker's website at www.stryker.com via the For Investors page. The webcasts for both the Cowen and Company and the Lehman Brothers conference presentations will be archived on Stryker's website for 90 days.

Certain statements made in the presentations may constitute forward- looking statements. They will be based upon management's current expectations and will be subject to various risks and uncertainties that could cause the Company's actual results to differ materially from those expressed or implied in such statements. In addition to factors that may be discussed in the presentations, such factors include, but are not limited to: pricing pressures generally, including cost-containment measures that could adversely affect the price of or demand for the Company's products; regulatory actions; unanticipated issues arising in connection with clinical studies and eventual United States Food and Drug Administration approval of additional OP-1 applications, the FlexiCore and CerviCore spinal implant products, the PlasmaSol sterilization products or other new product introductions; integration and other issues that could delay the introduction of the Sightline product line; changes in reimbursement levels from third-party payors; a significant increase in product liability claims; changes in economic conditions that adversely affect the level of demand for the Company's products; changes in foreign exchange markets; changes in financial markets; and changes in the competitive environment. Additional information concerning these and other factors are contained in the Company's filings with the Securities and Exchange Commission, including the Company's Annual Report on Form 10-K and Quarterly Reports on Form 10-Q.
