Citrix Executives to Present at Upcoming Investor Conferences

FORT LAUDERDALE, Fla. » 2/3/2010 » Citrix Systems, Inc. (NASDAQ:CTXS) today announced that company executives will present at three upcoming investor conferences.

Mick Hollison, vice president of XenDesktop Marketing, will present at the Thomas Weisel Partners Technology & Telecom Conference to be held in San Francisco on February 10, at 1:20 p.m. eastern time. Raj Dhingra, vice president and general manager of XenDesktop Product Group, will present at the Pacific Crest Emerging Technology Summit to be held in San Francisco on February 24, at 2:30 p.m. eastern time as well as at the Goldman Sachs Technology and Internet Conference to be held in San Francisco on February 25, at 12:40 p.m. eastern time. These presentations will be webcast live on the investor section of the Citrix website at www.citrix.com/investors. A replay of each webcast will be available for approximately 30 days.

About Citrix
Citrix Systems, Inc. (NASDAQ:CTXS) is a leading provider of virtualization, networking and software-as-a-service (SaaS) technologies for more than 230,000 organizations worldwide. Its Citrix Delivery Center™, Citrix Cloud Center™ (C3) and Citrix Online Services product families radically simplify computing for millions of users, delivering applications as an on-demand service to any user, in any location on any device. Citrix customers include the world’s largest Internet companies, 99 percent of Fortune Global 500 enterprises, and hundreds of thousands of small businesses and prosumers worldwide. Citrix partners with over 10,000 companies worldwide in more than 100 countries. Founded in 1989, annual revenue in 2009 was $1.6 billion.

For Citrix Investors
This release contains forward-looking statements which are made pursuant to the safe harbor provisions of Section 27A of the Securities Act of 1933 and of Section 21E of the Securities Exchange Act of 1934. These forward-looking statements do not constitute guarantees of future performance. Those statements involve a number of factors that could cause actual results to differ materially, including risks associated with products, their development, integration and distribution, product demand and pipeline, customer acceptance of new products, economic and competitive factors, Citrix’s key strategic relationships, acquisition and related integration risks as well as other risks detailed in Citrix’s filings with the Securities and Exchange Commission. Citrix assumes no obligation to update any forward-looking information contained in this press release or with respect to the announcements described herein.
