

Audit Committee of the Board of Directors Committee Charter

I. PURPOSE

The Audit Committee (the “Audit Committee”) is established by and among the Board of Directors (the “Board”) of IPG Photonics Corporation (the “Company”) for the primary purpose of assisting the Board in:

- ◇ Overseeing the integrity of the Company’s financial statements and the Company’s accounting and financial reporting processes
- ◇ Overseeing the Company’s independent auditors, including their qualifications, independence and performance
- ◇ Overseeing the performance of the internal audit function
- ◇ Overseeing the Company’s systems of disclosure controls and procedures, and internal controls over financial reporting
- ◇ Oversight and monitoring of treasury, finance and tax matters as detailed below.

Consistent with these responsibilities, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Company’s policies, procedures, and practices at all levels. The Audit Committee should also provide for open communication among the independent auditor, financial and senior management, internal audit function and the Board. The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting, or other advisors as deemed appropriate to perform its duties and responsibilities.

The Company will provide appropriate funding, as determined by the Audit Committee, for compensation to the independent auditor, to any advisors that the Audit Committee chooses to engage, and for payment of ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

The Audit Committee will primarily fulfill its responsibilities by carrying out the activities enumerated in Section III of this charter. The Audit Committee will report regularly to the Board regarding the execution of its duties and responsibilities.

II. COMPOSITION AND MEETINGS

The Audit Committee will comprise three or more directors as determined by the Board. Each Audit Committee member will be a person other than an officer or employee of the Company or its subsidiaries or any other individual having a relationship which, in the opinion of the Board, would interfere with the exercise of his or her independent judgment

in carrying out the responsibilities of a director. All committee members must be independent, including being free of disallowed compensation agreements, under all applicable rules and regulations.

All members of the committee must comply with all financial literacy requirements of the securities exchange(s) on which the Company is listed. The Board will determine whether at least one member of the committee qualifies as an “Audit Committee financial expert” in compliance with the criteria established by the SEC. The existence of such a member, including his or her name and whether or not he or she is independent, will be disclosed in periodic filings as required by the SEC. Committee members are encouraged to enhance their familiarity with finance and accounting by participating in educational programs, including those conducted by the Company or outside consultants.

The members of the committee will be elected by the Board at the annual organizational meeting of the Board to serve until their successors are elected. Unless a chairperson is elected by the full Board, the members of the committee may designate a chairperson by majority vote. The Committee will maintain minutes of its meetings.

The committee will meet as often as necessary to discharge their duties, but not less frequently than quarterly. As part of its responsibility to foster open communication, the committee will meet periodically with management, the director of the internal auditing function, and the independent auditor in separate executive sessions. Each regularly scheduled quarterly meeting will conclude with an executive session of the committee absent members of management.
