Get lucky and you'll score a YAHTZEE!

CLUE

In CLUE COVER STORY, you take on the role of an aspiring journalist, in which you must solve the mysterious murder of Mr. Boddy. Search his fantastic hillside mansion to uncover his guests' devious secrets. Record clues on the Crime Map to discover who did it, where and with what to win. The quicker you are, the more stars you'll earn to advance your journalism career (as you know, journalists must report to an editor on a deadline!). Was it Mustard in the Study with the Candlestick? Or Peacock in the Ballroom with the revolver? Help solve the mystery.

RISK
Crush opponents for global domination with distinct tactics and unique levels of aggression. Use strategy to fortify territories and conquer all six continents. Build armies to attack enemies on the march towards domination. Customize gameplay in a single-player Conquest mode on the world map or Quick Play on a single hemisphere. Or out-strategize opponents in the fast-paced two player Pass n’ play mode. Without RISK there is no reward!

**TRIVIAL PURSUIT**

Now you can play this all-time favorite in two great modes. Fill the "pie" with "wedges" in Classic mode. Or use strategy to answer fast and reach the finish line first in new Pursuit mode. Answer up to 1,000 questions on Entertainment, Geography, History and more. Customize each game by setting the number of wedges. Play against the game with three difficulty levels, or play with up to four friends with Pass n’ play.
