SCHEDULE “B”

IMAFLEX INC. CORPORATE GOVERNANCE

Regulation 58-101 respecting Disclosure of Corporate Governance Practices requires Imaflex Inc. (the “**Corporation**”) to annually disclose certain information regarding its corporate governance practices. Those practices are as follows.

Board of Directors

Joseph Abbandonato, the Chairman of the board of directors of the Corporation (“**Board of Directors**”), President and Chief Executive Officer of the Corporation annually presents to the Board of Directors the proposed corporate strategies. The Board of Directors delegates to management the responsibility for the development of these strategies and holds itself responsible for the approval of the strategies finally adopted. In addition to those matters which must by law be approved by the Board of Directors, management is required to seek Board of Directors approval for significant acquisitions, divestitures and capital expenditures. Other matters of strategic importance to the Corporation or which impact significantly on the operations of the Corporation are brought to the Board of Directors’ attention for its input, consideration and approval.

The Board of Directors oversees the identification of the principal risks of the Corporation's business and the implementation by management of appropriate systems to manage such risks. The Board of Directors reviews from time to time organizational matters such as succession planning. Given current management’s tenure, their vast experience and low turnover, succession planning is not seen as critical at the present time by the Board of Directors.

The following directors are “independent” pursuant to *Regulation 58-101 respecting Disclosure of Corporate Governance Practices* since they qualify as “independent” directors, as such term is defined in *Regulation 52-110 respecting Audit Committees* (“**Regulation 52-110**”): Michel Baril, Consolato Gattuso, Philip Nolan, Mario Settino and Lorne Steinberg. Under Regulation 52-110 even though Philip Nolan is qualified as an independent member when he sits on the Board of Directors, he is not considered as an independent member for the purpose of his work for the Audit and Compensation Committee of the Corporation.

The following directors are not independent for the reasons listed after their name: Joseph Abbandonato (President and Chief Executive Officer of the Corporation) and Tony Abbandonato (Vice President Manufacturing of the Corporation).

1. **Directorships**

The following director of the Corporation is presently a director of another issuer that is a reporting issuer (or the equivalent):

Director	Reporting Issuers
Michel Baril	Nemaska Lithium Inc.

2. **Orientation and Continuing Education**

Reports and other documentation relating to the Corporation's business and affairs are provided to new directors. Board of Directors meetings are held at the Corporation's main site to give the directors additional insight into the Corporation's business and operations.

Orientation and education of directors is an ongoing matter. As such, ongoing informal discussions between management and members of the Board of Directors are encouraged and visits to the Corporation's operations are organized.

3. **Ethical Business Conduct**

The Corporation is committed to promote the highest standard of ethics and integrity in the pursuance of all of its activities.

Furthermore, the directors, officers and employees of the Corporation are expected to act and to hold their office within the best interests of the Corporation. The Corporation expects from all directors to act in compliance with all laws and regulations applicable to their office as director of the Corporation.

In the event any transactions or agreements occur in respect of which a director or executive officer has a material interest, the matter must be initially reviewed by the Audit and Compensation Committee and is then submitted to the Board of Directors. The Board of Directors may implement any measures that it finds necessary in order to ensure the exercise of independent judgment. In the event a director has a material interest in any transaction or agreement, such director will abstain from voting in that regard.

4. **Nomination of Directors**

The Board of Directors of the Corporation does not feel it is necessary to increase the number of directors on the Board of Directors at this time.

Joseph Abbandonato, the Chairman of the Board of Directors, President and Chief Executive Officer of the Corporation, seeks qualified candidates to be considered for nomination as directors. Proposed candidates are subject to review and approval by the Board of Directors.

Any new appointees or nominees to the Board of Directors must have a favourable track record in general business management, special expertise in areas of strategic interest to the Corporation, the ability to devote the time required and a willingness to serve as a director.

5. **Compensation**

On an annual basis, Joseph Abbandonato, the Chairman of the Board of Directors, President and Chief Executive Officer of the Corporation, and the Audit and Compensation Committee evaluate the adequacy of compensation of the directors. After sufficient review and analysis, the Audit and Compensation Committee recommends the remuneration of the directors to the Board of Directors for approval.

6. **Other Board Committees**

As of the date hereof, given the size of the Corporation, only the Audit and Compensation Committee was created by the Board of Directors.

7. **Assessments**

The Board of Directors of the Corporation has not established any formal procedures for assessing the performance of the Board of Directors or its committees and its directors individually. Generally, those responsibilities have been carried out on an informal basis by the Board of Directors itself. Furthermore, it is the view of the Board of Directors that, in light of its small size and the close and open relationship among its members, the formality of a committee would not be as effective as the current arrangement and is therefore unnecessary.
