ANNUAL MEETING OF SHAREHOLDERS

to be held on Wednesday, June 11, 2025

MANAGEMENT PROXY CIRCULAR

SOLICITATION OF PROXIES

This management proxy circular (the “Circular”) is furnished in connection with the solicitation by the management of Imaflex Inc. (the “Corporation” or “Imaflex”) of proxies to be used at the virtual annual meeting (the “Meeting”) of the holders (the “Shareholders”) of common shares (the “Shares”) of the Corporation to be held for the purposes set forth in the accompanying notice of meeting (the “Notice of Meeting”) and in this Circular. Solicitation of proxies will be primarily by mail, although they may also be by telephone or oral communication by the directors and officers of the Corporation, at no additional cost. The cost of the solicitation of proxies will be borne by the Corporation.

The Corporation may also reimburse brokers and other persons holding Shares in their own name or in the names of their nominees for their expenses in sending proxies and proxy materials to the beneficial owners, and obtaining their proxies, but solicitations will not be made by employees engaged for that purpose or by soliciting agents.

APPOINTMENT AND REVOCATION OF PROXIES

An instrument appointing a proxy shall be in writing and shall be executed by the Shareholder or his attorney duly authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer or attorney thereof.

The persons named in the form of proxy accompanying the Notice of Meeting (the “**Form of Proxy**”) are officers and/or directors of the Corporation. **A Shareholder submitting a Form of Proxy shall have the right to appoint a person (who need not be a Shareholder) other than the person or persons designated in the Form of Proxy furnished by the Corporation, to represent the Shareholder at the Meeting. To exercise this right, the Shareholder must either insert the name of the desired representative in the blank space provided in the Form of Proxy and by striking out the names printed on the Form of Proxy or submitting another proxy.**

A person giving a proxy has the power to revoke it. For more information on voting and revoking proxies see below: “Voting Instructions for Registered Shareholders” and “Voting Instructions for Beneficial (non-registered) Shareholders”.

VALIDITY OF FORM OF PROXY

The by-laws of the Corporation provide that a proxy or an instrument appointing a duly authorized representative of the Corporation shall be in writing, under the hand of the appointee or his attorney

duly authorized in writing, or, if such appointor is a corporation, either under its seal or under the hand of an officer or attorney duly authorized for that purpose.

VOTING BY PROXY

Shares represented by a proxy are to be voted or withheld from voting on any ballot by the proxy named in the enclosed Form of Proxy in accordance with the instructions of the Shareholders. **If no instructions are indicated, these Shares will be voted IN FAVOUR of the matters referred to in the accompanying Notice of Meeting.** The enclosed Form of Proxy confers discretionary authority on the persons named therein with respect to matters not specifically mentioned in the Notice of Meeting and which may properly come before the Meeting.

As at the date of this Circular, management of the Corporation knows of no amendments, variations or other matters to come before the Meeting, other than those matters referred to in the Notice of Meeting.

FOR ALL QUESTIONS RELATING TO THE VOTING OF SHARES AND HOW TO ATTEND, PARTICIPATE AND VOTE AT THE MEETING, SHAREHOLDERS CAN CONTACT THE CORPORATION'S TRANSFER AGENT, COMPUTERSHARE AT: 1-800-564-6253.

VOTING INSTRUCTIONS FOR REGISTERED SHAREHOLDERS

A Shareholder is a registered shareholder if shown as a shareholder on the Record Date on the shareholders list ("**Registered Shareholder**") kept by Computershare Investor Services Inc. ("**Computershare**"), as registrar and transfer agent of the Corporation for the Shares, in which case a share certificate or statement from a direct registration system will have been issued to the shareholder which indicates the shareholder's name and the number of Shares owned by the shareholder. Registered holders of Shares will receive with this Circular a Form of Proxy from Computershare representing the Shares held by the Registered Shareholder.

If a Registered Shareholder Does Not Wish to Attend the Meeting

In order to be voted at the Meeting, or any adjournment thereof, Forms of Proxy from Registered Shareholders must be properly executed and received by or deposited with Computershare Investor Services Inc, 8th Floor, 100 University Avenue, Toronto, Ontario, Canada, M5J 2Y1 (or voted by telephone or the Internet by following the instructions on the accompanying Form of Proxy), no later than 10:00 a.m. (Montréal Time) on Monday, June 9, 2025 (the "**Voting Deadline**") or 48 hours (excluding Saturdays, Sundays and holidays) prior to the time to which the Meeting may be adjourned. If a Shareholder who has submitted a Form of Proxy attends the Meeting via the webcast and has accepted the terms and conditions when entering the Meeting online, any votes cast by such Shareholder on a ballot will be counted and the submitted Form of Proxy will be disregarded.

If a Registered Shareholder Wishes to Attend and Vote at the Meeting Online

Registered Shareholders can attend, participate, vote and submit questions online at the Meeting by going to meetnow.global/MWH6AYX and clicking on "**Shareholder**" and entering a control number before the start of the Meeting.

- **Registered Shareholders: the 15-digit control number is located on the Form of Proxy or in the email notification you received from Computershare**

A Registered Shareholder using the provided control number to login to the Meeting must accept the terms and conditions. Such Registered Shareholders will be provided the opportunity to vote by online ballot on the matters put forth at the Meeting. A vote made during the online ballot will revoke any previously submitted Form of Proxy. Any Registered Shareholder that does not wish to revoke a previously submitted Form of Proxy can refrain from voting during the online ballot.

If a Registered Shareholder Wishes to Appoint a Third-Party Proxyholder to Represent them at the Meeting

Registered Shareholders who wish to appoint a third-party proxyholder to attend, participate or vote at the Meeting as their proxy and vote their Shares **MUST** submit their Form of Proxy prior to registering their proxyholder. **As described below, registering a proxyholder is an additional step to be completed AFTER submitting a Form of Proxy. Failure to register a duly appointed proxyholder will result in the proxyholder not receiving an Invite Code to participate in the Meeting.** To appoint a third-party proxyholder, Registered Shareholders should insert such person's name in the blank space provided in the Form of Proxy and follow the instructions for submitting such Form of Proxy. This must be completed prior to registering such proxyholder.

To register a third-party proxyholder, shareholders MUST visit <http://www.computershare.com/Imaflex> by 10:00 a.m. (Montréal time) on Monday, June 9, 2025 and provide Computershare with the required proxyholder's contact information, so that Computershare may provide the proxyholder with an Invite Code via email. Without an Invite Code, proxyholders will not be able to attend and vote at the Meeting. Computershare will provide the proxyholder with an Invite Code by e-mail after the Monday, June 9, 2025 Voting Deadline has passed.

Third-party proxyholders appointed by Registered Shareholders should access the Meeting by visiting meetnow.global/MWH6AYX and clicking on “**Invitation**” and entering an Invite Code before the start of the Meeting.

If a Registered Shareholder Wishes to Revoke a Form of Proxy

A person who has submitted a Form of Proxy has the power to revoke it prior to the exercise of such Form of Proxy in respect of any particular matter. In addition to revocation in any other manner permitted by law, a Form of Proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing or, if the Shareholder is a corporation, by an officer or attorney duly authorized, and delivered to the offices of Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof at which such Form of Proxy is to be used, or by logging in to the Meeting online, or any adjournment thereof, and accepting the terms and conditions, and upon either of such deliveries the Form of Proxy shall be revoked.

VOTING INSTRUCTIONS FOR BENEFICIAL (NON-REGISTERED) SHAREHOLDERS

In many cases, Shares are beneficially owned by a holder (a “**Beneficial Shareholder**”) if the Shares are registered either:

- (A) in the name of an intermediary (an “**Intermediary**”) that the Beneficial Shareholder deals with in respect of the Shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered registered retirement savings plans, registered retirement income funds and registered educational savings plans and similar plans; or
- (B) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”)) of which the Intermediary is a participant.

In accordance with the requirements of *Regulation 54-101 respecting Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Corporation has distributed copies of the Notice of Meeting, this Circular, the Form of Proxy and the Corporation’s audited consolidated financial statements for the fiscal year ended December 31, 2024 (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Beneficial Shareholders.

Intermediaries are required to forward Meeting Materials to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Beneficial Shareholders. Typically, Beneficial Shareholders who have not waived the right to receive Meeting Materials will be given a voting instruction form that must be completed and signed by the Beneficial Shareholder in accordance with the directions on the voting instruction form (which may in some cases permit the completion of the voting instruction form by telephone or the Internet). The purpose of these procedures is to permit Beneficial Shareholders to direct the voting of the Shares they beneficially own.

If a Beneficial Shareholder Does Not Wish to Attend the Meeting

Non-registered shareholders who do not wish to attend the Meeting should carefully follow the instructions on the voting instruction form that they receive from their Intermediary in order to vote the Shares that are held through that Intermediary. Non-registered shareholders of the Corporation should submit voting instructions to Intermediaries in sufficient time to ensure that their votes are received by the Intermediaries in time for them to meet the Voting Deadline.

If a Beneficial Shareholder Wishes to Attend and Vote at the Meeting

Since Imaflex generally does not have access to the names of its Beneficial Shareholders, Beneficial Shareholders who wish to attend and vote at the Meeting should insert their own name in the blank space provided in the voting instruction form to appoint themselves as proxyholders and then follow their Intermediary’s instructions for returning the voting instruction form AND register themselves as proxyholder.

To register as a proxyholder, Beneficial Shareholders **MUST** then visit <http://www.computershare.com/Imaflex> by 10:00 a.m. (Montréal time) on Monday, June 9, 2025

or 48 hours (excluding Saturdays, Sundays and holidays) prior to the time to which the Meeting may be adjourned and provide Computershare with the required proxyholder contact information, so that Computershare may provide the proxyholder with an Invite Code via email. **Without an Invite Code, proxyholders will not be able to participate or vote at the Meeting.** In registering, a Beneficial Shareholder is instructing its intermediary to appoint the non-registered shareholder as proxyholder. It is important that Beneficial Shareholders comply with the signature and return instructions provided by their intermediaries.

Beneficial shareholders who have appointed themselves as proxyholders and who wish to **attend and vote** at the Meeting should not complete the voting section of the voting instruction form. Beneficial shareholders who have appointed themselves as proxyholders should access the Meeting by meetnow.global/MWH6AYX and clicking on “**Invitation**” and entering their Invite Code before the start of the Meeting. Computershare will provide the proxyholder with an Invite Code by e-mail after the Voting Deadline has passed.

Beneficial shareholders who have not appointed themselves as proxyholders to participate and vote at the Meeting may login as a guest, by clicking on “**Guest**” and completing the online form; however, they will not be able to vote or submit questions.

If a Beneficial Shareholder Wishes to Appoint a Third Party to Vote and Attend the Meeting

Beneficial shareholders who wish to appoint a third-party proxyholder to attend and vote at the Meeting as their Form of Proxy and vote their Shares **MUST** first submit their voting instruction form appointing such third-party proxyholder by inserting such person’s name in the blank space provided in the voting instruction form (if permitted) and following the instructions for submitting such voting instruction form. This must be completed prior to registering such proxyholder with Computershare. **Registering such a proxyholder is an additional step to be completed AFTER submitting a voting instruction form. Failure to register the proxyholder will result in the proxyholder not receiving an Invite Code to attend, participate or vote at the Meeting.**

To register the third-party proxyholder and attend and vote at the Meeting follow the same steps outlined under “**If a Beneficial Shareholder Wishes to Attend and Vote at the Meeting**” above.

United States Beneficial Shareholders

A non-registered shareholder located in the United States that wishes to attend, participate or vote at the Meeting or, if permitted, appoint a third-party as proxyholder, in addition to the steps described herein must obtain a valid legal proxy from its intermediary. Such non-registered shareholders should follow the instructions from such intermediary included with the provided proxy materials or contact their intermediary to request a legal proxy form or a legal proxy if they have not received one. After obtaining a valid legal proxy from the intermediary, such non-registered shareholders must then submit such legal proxy to Computershare in order to register to attend the Meeting. Requests for registration from non-registered shareholders located in the United States that wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as their proxyholder must be sent by e-mail or by courier to: uslegalproxy@computershare.com (if by e-mail), or Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1 (if by courier), and in both cases, must be labeled as “Legal Proxy” and received by no later than 10:00 a.m. (Montréal time) on Monday, June 9, 2025. You will receive a confirmation of your registration by email after Computershare receives your registration materials.

You may attend the Meeting and vote your Shares at meetnow.global/MWH6AYX during the Meeting. Please note that you are required to register your appointment at <http://www.computershare.com/Imaflex>.

Beneficial shareholders who have not duly appointed themselves as proxyholder may still attend the Meeting as guests. Guests will be able to listen to the Meeting but will not be able to participate or vote at the Meeting.

If a Non-Registered Shareholder Wishes to Revoke Voting Instructions

A non-registered shareholder may revoke previously given voting instructions by contacting his or her Intermediary and complying with any applicable requirements imposed by such Intermediary. An Intermediary may not be able to revoke voting instructions if it receives insufficient notice of revocation.

ATTENDANCE AND PARTICIPATION AT THE MEETING

The Corporation is holding the Meeting in virtual format only, which will be conducted via live audio webcast. Shareholders will not be able to attend the Meeting in person. The virtual meeting platform is fully supported across most commonly used web browsers (note: Internet Explorer is not a supported browser). We encourage you to access the Meeting prior to the start time. The Meeting will be held on Wednesday, June 11, 2025, at 10:00 a.m. (**Montréal time**).

Attending the Meeting online enables Registered Shareholders and duly appointed proxyholders to participate at the Meeting. Registered Shareholders and duly appointed proxyholders can vote at the appropriate times during the Meeting. **If you are eligible to vote at the Meeting, it is important that you are connected to the Internet at all times during the Meeting in order to vote when balloting commences.**

Joining the Meeting - Registered Shareholders and Appointed Proxyholders

Only Registered Shareholders who have a 15-digit control number, along with duly appointed proxyholders who were assigned an Invite Code by Computershare will be able to vote and submit questions during the Meeting. To do so, please go to meetnow.global/MWH6AYX prior to the start of the Meeting to log in. Click on “**Shareholder**” and enter your 15-digit control number or click on “**Invitation**” and enter your Invite Code.

- **Guests**, including Beneficial Shareholders who have not duly appointed themselves as proxyholder, can log in to the Meeting as a Guest, by clicking on “**Guest**” and completing the online form. Guests can listen to the Meeting, but are not able to participate or vote.

Asking Questions at the Meeting

If a Shareholder has a question about one of the items to be voted on by the Shareholders at the Meeting, such question may be submitted in advance of the Meeting by emailing John Ripplinger, Vice President Corporate Affairs, at johnr@imaflex.com and by providing your control number, as shown on your Form of Proxy. Questions submitted in advance must be received by 10:00 a.m. (Montréal time) on Tuesday, June 10, 2025, to be included in the meeting.

Questions for the Meeting may also be submitted during the Meeting virtually by submitting such question in the field provided in the Q&A tab at or before the time the matters are presented before the Meeting for consideration. Questions relating to any items to be voted on by the Shareholders at the Meeting will be answered before the voting is closed.

Following adjournment of the formal business of the Meeting, the Corporation will hold a live Q&A session to address appropriate general questions from Shareholders regarding the Corporation. Only Shareholders and duly appointed proxyholders may submit questions at the Meeting. Guests will not be able to submit questions, vote or otherwise participate at the Meeting; however, they will be able to join the meeting as a guest. Shareholders voting by proxy in advance of the Meeting are welcome to join the Meeting as guests.

The chair of the Meeting reserves the right to edit questions or to reject questions he deems inappropriate. To ensure the Meeting is conducted in a manner that is fair to all Shareholders, the chair of the Meeting may exercise broad discretion with respect to, for example, the order in which questions are asked and the amount of time devoted to any one question. The chair of the Meeting may also limit the number of questions per Shareholder in order to ensure that as many Shareholders as possible will have the opportunity to ask questions.

In the event of technical malfunction or other significant problem that disrupts the Meeting, the chair of the Meeting may adjourn, recess, or expedite the Meeting, or take such other action that the chair determines is appropriate considering the circumstances.

In the event of technical difficulties relating to the Meeting, you can contact Computershare at (888) 724-2416.

Philip Nolan was a director of React Gaming Group Inc. ("Nemaska Lithium"), a reporting issuer in all provinces and territories of Canada, and was, from October 2009 to January 2020, president of its Board of Directors. Nemaska Lithium obtained, on December 23, 2019, an initial order under the Companies' Creditors Arrangement Act (Canada) ("CCAA") by the Superior Court of Québec. On November 25, 2020, Nemaska Lithium completed the exchange of its common shares for common shares of Residual Nemaska Lithium (the "Transaction") in accordance with and pursuant to the approval and vesting order of the Superior Court of Québec (Commercial Division) issued on October 15, 2020, in connection with the proceedings under the CCAA. As a result, and in the context of the CCAA proceedings, there was no residual value for shareholders of Residual Nemaska Lithium resulting from the Transaction.

Michel Baril was also a director of Nemaska Lithium when on November 6, 2020, the securities commission in all the provinces and territories of Canada issued a cease trade order as a result of Nemaska Lithium's failure to file its audited financial statements and the MD&A for the year ended June 30, 2020, prohibiting any person from trading in any security of Nemaska Lithium except that Nemaska Lithium could implement the Transaction under the CCAA and a beneficial holder who was not on November 6, 2020 a person participating in the control or an insider of Nemaska Lithium may sell securities at certain conditions.

Michel Baril was a director of Spectra Premium Industries Inc. ("Spectra Premium") until November 12, 2021. Spectra Premium filed and received protection from its creditors under the CCAA on March 10, 2020 and, following an authorization of the Superior Court of Québec, sold its business activities and almost all of its assets to a third party in November 2021 and changed its name to 4406443 Canada Inc. While under the protection of the CCAA, Spectra Premium was managed and supervised by Ernst & Young Inc., as monitor of the business and financial affairs of the Corporation. Following the completion of the liquidation of all assets of Spectra Premium under

the CCAA proceedings, the monitor filed for the bankruptcy of 4406443 Canada Inc. on August 1, 2023.

DIRECTORS AND EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Audit and Compensation Committee

The audit and compensation committee (the “**Audit and Compensation Committee**”) establishes executive officer compensation, the general compensation structure, policies and programs of the Corporation. The Audit and Compensation Committee has also been mandated to review the adequacy and form of the compensation of directors and to ensure that such compensation realistically reflects the responsibilities and risks involved in being an effective director.

The members of the Audit and Compensation Committee are Messrs. Michel Baril, Mario Settino (Chairman) and Philip Nolan. The Audit and Compensation Committee is composed of a majority of independent directors and meets at least annually to receive information on and determine matters regarding executive officer compensation in accordance with policies approved by the Board of Directors.

None of the members of the Audit and Compensation Committee has a formal background or experience in executive compensation directly related to his responsibilities on the Audit and Compensation Committee, except for Mr. Settino who served as Chairman of the Audit and Compensation Committee of the Corporation from 2017 to 2022. However, each member is an experienced business person who has been involved with other board of directors, has been

involved in structuring compensation arrangements for executives and has general knowledge of incentive structures and compensation levels.

Mr. Baril is a mechanical engineer who was previously a senior executive and president of a division of a multinational corporation, and director of other companies. Mr. Settino is a chartered professional accountant with extensive experience working as a senior executive in a broad range of public companies. Mr. Nolan has gained relevant experience through his legal practice advising corporate clients from various industry sectors as well as from being a director of another public company where he chaired the Compensation Committee for seven years. These skills and experience enable the Audit and Compensation Committee to make proper decisions on the suitability of the Corporation's compensation program.

Compensation Philosophy and Objectives

The goal of the Corporation's executive officer compensation program is to attract, retain and motivate high quality executives and to encourage them to meet Shareholders' expectations by preserving and growing the business. The compensation program is designed to communicate and focus the executives on critical business issues which ultimately increase long-term Shareholder value.

Compensation and Risk Management

In light of the Corporation's size and its current compensation program which is relatively simple, neither the Audit and Compensation Committee nor the Board of Directors specifically consider the risks associated with the Corporation's compensation program.

The Corporation has not adopted a policy and has not restricted Named Executive Officers (as hereinafter defined) or directors from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars or units of exchange funds, any of which are designed to hedge their equity-based compensation awards or the value of the securities they hold. To the knowledge of the Corporation, none of the Named Executive Officers or directors purchased such financial instruments during the financial year ended December 31, 2024.

Elements of the Corporation's Named Executive Officers' Compensation Program

The compensation program consists of base salaries, annual performance incentives and stock options. Base salaries of executive officers are determined by referencing salary levels in the industry in which the Corporation operates. The Audit and Compensation Committee reviews information drawn from a variety of sources, including the experience of its members in hiring individuals for similar positions. Criteria included in the determination of salary levels include the individual's experience level, the scope and complexity of the position held and salaries paid for similar positions at other companies of similar size and complexity. Neither the Corporation nor the Audit and Compensation Committee benefited from the services of a compensation consultant for the last two financial years.

Annual bonuses may or may not be paid and are determined on a discretionary basis by the Audit and Compensation Committee and approved by the Board of Directors based on an executive's performance throughout the year. The Corporation does not establish fixed objectives used to determine bonuses paid out to executives.

The stock option component of the executive officer compensation package is provided to focus management's attention on corporate performance over a period longer than one year in recognition of long-term horizons for return on investments and strategic decisions in the industry. The level of stock option awards given to each executive officer is determined by his position, his potential future contributions to the Corporation and the number and terms of stock option awards previously granted to the executive. All stock option awards are reviewed by the Audit and Compensation Committee and then recommended to the Board of Directors for approval. The Audit and Compensation Committee determines a meaningful level of award for employees ranging from key employees to the Chief Executive Officer. The level of stock option awards is also influenced by the number of executive officers and key employees in the current year and the likelihood of grants in future years to executive officers and key employees since the total number of stock options available under the Corporation's stock option plan (the "**Stock Option Plan**") is fixed. The total amount of stock options issued over the past years is looked at but does not have a material impact on the number of options to be granted.

Elements of the Corporation's Directors' Compensation Program

During the last fiscal year, each non-executive director was entitled to receive \$5,000 per annum for their services as a director. As well, each director was entitled to an attendance fee of \$750 per meeting of the Board of Directors. The Chairman of the Audit and Compensation Committee also received an additional attendance fee of \$250 per meeting of the Board of Directors. Directors who are officers of the Corporation are not entitled to any compensation or attendance fee as members of the Board of Directors.

Similar to the executive officer compensation program, directors are also eligible to receive bonuses and stock options as part of their overall compensation plan. Bonuses and the level of stock option awards are determined on a discretionary basis by the Chairman of the Board of Directors, in conjunction with the Audit and Compensation Committee.

Audit and Compensation Committee Oversight

All the recommendations made by the Audit and Compensation Committee with respect to the appointment and/or compensation of the Corporation's external auditors since the commencement of the Corporation's most recently completed financial year have been adopted by the Board of Directors.

Reliance on Certain Exemptions

At no time since the commencement of the Corporation's most recently completed financial year has the Corporation relied on the exemptions in Sections 2.4 and 6.1.1 of Regulation 52-110 or an exemption from Regulation 52-110, in whole or in part, granted under Part 8 of Regulation 52-110.

During the most recently completed financial year, the Corporation has relied on the exemption granted under Section 6.1 of Regulation 52-110, which exempts issuers whose shares are listed only on the TSXV from the requirements of Part 3 (Composition of Audit Committee) and Part 5 (Reporting Obligations).

Pre-Approval Policies and Procedures

The Audit and Compensation Committee approves the engagement terms for all audit and non-audit services to be provided by the Corporation's accountants before such services are provided to the Corporation or its Subsidiary.

Other Fees ⁽³⁾	5,710	9,365
Total	209,333	202,776

Notes:

- (1) These fees include the fees and disbursements for services reasonably related to the performance of the audit of the Corporation's financial statements not reported under "Audit Fees".
- (2) These fees represent the aggregate fees and disbursements for the service related to tax compliance, tax advice, and tax planning.
- (3) Fees related to transfer pricing services.

CORPORATE GOVERNANCE

Statement of Corporate Governance Practices

Imaflex's Board of Directors considers good corporate governance to be important in the effective operation of the Corporation and believes an effective corporate governance framework helps enhance long-term Shareholder value.

The Board of Directors is responsible for ensuring that the Corporation addresses all relevant corporate governance issues in compliance with the corporate governance guidelines set forth in *Policy Statement 58-201 to Corporate Governance Guidelines*. The Corporation's disclosure of corporate governance practices pursuant to *Regulation 58-101 respecting Disclosure of Corporate Governance Practices* is set out in Schedule "B" to this Circular in the form required by Form 58-101F2.

Board and Executive Diversity

Imaflex is committed to maintaining a knowledgeable and qualified Board of Directors and executive team and considers a variety of diversity criteria in bringing expertise and perspectives to a position. This includes finding the most qualified candidate available based on their skills, knowledge, experience and character relevant to the specific position. While Imaflex also recognizes the importance of diversity at all levels, the Corporation believes that it is in its best interest, and that of its stakeholders, to consider the broadest group of individuals available for a particular position to ensure that the Corporation consistently selects from the best possible candidates.

In light of the foregoing, the Corporation (i) has not adopted a formal written policy regarding identification and nomination of members of its Board of Directors and executive team who are part of "designated groups", (ii) nor does it consider specifically the level of representation of "designated groups" in identifying and nominating candidates for election or re-election to the Board of Directors or when appointing members of its executive team (iii) nor has it adopted formal target numbers or percentage for members of "designated groups" to hold positions on its Board of Directors or executive team.

The CBCA defines “designated groups” to include women, Aboriginal peoples, persons with disabilities and members of visible minorities. As of the date of this Circular, there were no women or other designated groups serving in an executive officer or board position. None of the seven members of Imaflex’s Board of Directors, and 5 out of the seventeen members of senior management (29%) identify as visible minorities. None self-identify as a person with disabilities or as an Aboriginal person. The Corporation also has a very diversified employee base.

The Corporation values maintaining a balance between, on one hand, the institutional experience from the members of its Board of Directors and executive team and, on the other hand, the need for renewal and new perspectives and skills. In light of the foregoing, the Corporation has not adopted imposed age limits or term limits for the Board of Directors as it feels such limits may be arbitrary and may cause the loss of experience and expertise.

Board and Committee Attendance

For the year ending December 31, 2024, the attendance of board members at Board of Directors and Audit and Compensation Committee meetings was as follows:

SCHEDULE “B”

IMAFLEX INC.

CORPORATE GOVERNANCE

Regulation 58-101 respecting Disclosure of Corporate Governance Practices (“**Regulation 58-101**”) requires Imaflex Inc. (the “**Corporation**”) to annually disclose certain information regarding its corporate governance practices. Those practices are as follows.

Board of Directors

Joseph Abbandonato, the Executive Chairman of the Board of Directors of the Corporation, annually presents to the Board of Directors the proposed corporate strategies. The Board of Directors delegates to management the responsibility for the development of these strategies and holds itself responsible for the approval of the strategies finally adopted. In addition to those matters which must by law be approved by the Board of Directors, management is required to seek Board of Directors approval for significant acquisitions, divestitures and capital expenditures. Other matters of strategic importance to the Corporation or which impact significantly on the operations of the Corporation are brought to the Board of Directors’ attention for its input, consideration and approval.

The Board of Directors oversees the identification of the principal risks of the Corporation's business and the implementation by management of appropriate systems to manage such risks. The Board of Directors reviews from time-to-time organizational matters such as succession planning with the goal of ensuring a smooth transition of leadership within the company, minimizing disruption to operations, and maintaining continuity in the organization's strategic direction. Given current management’s tenure, their vast experience and low turnover, business continuity is not expected to be compromised should a key executive leave the company.

The following directors are “independent” pursuant to Regulation 58-101 since they qualify as “independent” directors, as such term is defined in *Regulation 52-110 respecting Audit Committees* (“**Regulation 52-110**”): Michel Baril, Consolato Gattuso, Philip Nolan, Mario Settino and Lorne Steinberg. Under Regulation 52-110 even though Philip Nolan is qualified as an independent member when he sits on the Board of Directors, he is not considered an independent member for the purpose of his work for the Audit and Compensation Committee of the Corporation.

The following directors are not independent for the reasons listed after their name: Joseph Abbandonato (President and Chief Executive Officer of the Corporation until October 28, 2024), Tony Abbandonato (current Vice President Sales of the Corporation) and Stephan Yazedjian (current President and Chief Executive Officer of the Corporation).

1. **Directorships**

The following director of the Corporation is presently a director of another issuer that is a reporting issuer (or the equivalent):

Director	Reporting Issuer
Philip Nolan	React Gaming Group Inc. (formerly “Intema Solutions Inc.”)

2. **Orientation and Continuing Education**

Reports and other documentation relating to the Corporation's business and affairs are provided to new directors. Barring any health and safety measures, Board of Directors meetings are normally held at the Corporation's main site to give directors additional insight into the Corporation's business and operations.

Orientation and education of directors is an ongoing matter. As such, ongoing informal discussions between management and members of the Board of Directors are encouraged and visits to the Corporation's operations are organized.

3. **Ethical Business Conduct**

The Corporation is committed to promote the highest standard of ethics and integrity in the pursuance of all of its activities.

Furthermore, the directors, officers and employees of the Corporation are expected to act and to hold their office within the best interests of the Corporation. The Corporation expects from all directors to act in compliance with all laws and regulations applicable to their office as director of the Corporation.

In the event any transactions or agreements occur in respect of which a director or executive officer has a material interest, the matter must be initially reviewed by the Audit and Compensation Committee and then submitted to the Board of Directors. The Board of Directors may implement any measures that it finds necessary in order to ensure the exercise of independent judgment. In the event a director has a material interest in any transaction or agreement, such director will abstain from voting in that regard.

4. **Nomination of Directors**

The Board of Directors of the Corporation does not feel it is necessary to increase the number of directors on the Board of Directors at this time.

Joseph Abbandonato, the Executive Chairman of the Board of Directors, seeks qualified candidates to be considered for nomination as directors. Proposed candidates are subject to review and approval by the Board of Directors.

Any new appointees or nominees to the Board of Directors must have a favourable track record in general business management, special expertise in areas of strategic interest to the Corporation, the ability to devote the time required and a willingness to serve as a director.

5. **Compensation**

On an annual basis, Joseph Abbandonato, the Executive Chairman of the Board of Directors, and the Audit and Compensation Committee evaluate the adequacy of compensation of the directors.

After sufficient review and analysis, the Audit and Compensation Committee recommends the remuneration of the directors to the Board of Directors for approval.

The Board of Directors is also responsible for developing the Corporation's approach to, and periodically reviewing, the CEO's remuneration.

6. **Other Board Committees**

As of the date hereof, given the size of the Corporation, only the Audit and Compensation Committee was created by the Board of Directors.

7. **Assessments**

The Board of Directors of the Corporation has not established any formal procedures for assessing the performance of the Board of Directors or its committees and its directors individually. Generally, those responsibilities have been carried out on an informal basis by the Board of Directors itself. Furthermore, it is the view of the Board of Directors that, in light of its small size and the close and open relationship among its members, the formality of a committee would not be as effective as the current arrangement and is therefore unnecessary.
