

IMAFLEX Shine N' Ripe XL

UV Reflective Mulch Film for control of citrus greening

DESCRIPTION:

Heavy duty 3.0 mil metallized film for walk-on stability with an anti-corrosive coating for long life.

Accelerates growth of citrus transplants.

3 year+ weather protection package and same insect repellent features as Shine N Ripe.

Excellent barrier giving lower moisture evaporation, fewer pesticide applications and reduced weeds.

Widths up to 80 in.

Designed to be applied with standard bed layers

APPLICATION:

Insect and disease control in citrus groves and stone fruit orchards.

Strawberry greenhouse winter protection
