B. Responsibilities & Duties

The principal responsibilities and duties of the Committee are set forth below. These duties are provided as a guide with the understanding that the Committee will carry them out in a manner that is appropriate given Etsy’s needs and circumstances. The Board or Committee may supplement them as appropriate and may deviate from them to the extent permitted under the Rules and applicable law and may establish policies and procedures from time to time that it deems necessary or advisable in fulfilling its responsibilities.

The Committee’s responsibility is one of oversight, and it may rely on the expertise and knowledge of management and the independent auditor in carrying out its oversight responsibilities. Etsy’s management is responsible for preparing Etsy’s financial statements, and the independent auditor is responsible for auditing and reviewing those financial statements. The Committee does not prepare or certify Etsy’s financial statements or guarantee the audits or reports of the independent auditors, nor does it certify the “independence” of the independent auditors or assure compliance with applicable laws and regulations, the Rules, or Etsy’s internal policies, procedures, or controls.

1. Appointment and Oversight of the Independent Auditor

- The Committee is directly responsible for appointing, retaining, and overseeing and, where appropriate, replacing the independent auditor. The Committee is also directly responsible for determining the compensation of the independent auditor and Etsy must provide appropriate funding, as determined by the Committee, for payment of such compensation. The independent auditor will report directly to the Committee.
- Although the Committee has the sole authority to appoint the independent auditor, the Committee will recommend that the Board ask the shareholders of Etsy, at their annual meeting, to ratify the Committee’s selection of the independent auditor.
- The Committee shall oversee and, at least annually, evaluate the qualifications and performance of the independent auditor, including a review and evaluation of the lead partner of the independent auditor. In making its evaluation, the Committee should take into account the opinions of management.
- The Committee shall, at least annually, obtain and review a report by the independent auditor that describes (i) the independent auditor’s internal quality

control procedures and (ii) any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditor or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, regarding any independent audit performed by the independent auditor, and any steps taken to deal with any such issues.

- The Committee shall review and resolve any disagreements that may arise between management and the independent auditor regarding financial reporting or internal control over financial reporting.

2. Independent Auditor Independence

- The Committee shall, at least annually, obtain and review the formal written statement from the independent auditor pursuant to the applicable requirements of the Public Company Accounting Oversight Board (“PCAOB”), and review and discuss with the independent auditor any relationships or services that may affect the objectivity and independence of the independent auditor.
- The Committee shall oversee the rotation of the independent auditor’s lead audit and concurring partners, and the rotation of other audit partners, with applicable time-out periods, in accordance with applicable law.
- The Committee shall consider, on a periodic basis, whether, in order to assure continuing auditor independence, there should be a regular rotation of the independent auditing firm.
- The Committee shall take appropriate action to oversee the independence of the independent auditor.

3. Approval of Audit and Non-Audit Services and Fees

- The Committee shall pre-approve the scope and plans for audits and the audit fees.
- The Committee shall pre-approve all permissible non-audit and tax services to be performed by the independent auditor and any associated fees. The Committee may, in accordance with applicable law, establish pre-approval policies, limits and procedures for the engagement of independent accountants to render services to Etsy.

4. Financial Statements

The Committee shall review and discuss the following with management and the independent auditor, as applicable:

- The annual audit plan, including the scope and timing of audit activities and the progress of the audit.
- Etsy’s annual audited and quarterly unaudited financial statements and annual and quarterly reports on Forms 10-K and 10-Q, including the disclosures in “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” and recommend to the Board whether the audited financial statements should be included in Etsy’s Form 10-K.
- The results of the independent audit and the quarterly reviews of Etsy’s financial statements, and the independent auditor’s opinion on the audited financial statements, including the quality, not just the acceptability, of Etsy’s accounting policies and procedures.
- The reports and certifications regarding internal control over financial reporting and disclosure controls and procedures.
- Significant issues regarding accounting principles and financial statement presentation, including any significant changes in Etsy’s selection or application of accounting principles, and significant issues as to the adequacy of Etsy’s internal controls and any special audit steps adopted in light of significant or material control deficiencies, including any known or likely misstatements identified during the audit (other than those the independent auditor believes to be trivial), the adequacy of the disclosures in the financial statements and any other matters required to be communicated to the Committee by the independent auditor under the standards of the PCAOB or otherwise.
- Analyses prepared by management or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative generally accepted accounting principles (“GAAP”) methods on the financial statements and critical accounting policies.
- The effect of regulatory and accounting initiatives, as well as off-balance sheet arrangements, if any, on Etsy’s financial statements.
- Any problems or difficulties the independent auditor encountered in the course of its audit work, including any restrictions on the scope of the auditor’s activities or on access to requested information, and management’s response.
- Any significant disagreements between management and the independent auditor.
- Management’s use of non-GAAP measures and metrics and how these measures are used to evaluate performance.

- Any pro forma or other financial statements of Etsy that are being filed with the Securities and Exchange Commission (the “**Commission**”) and not otherwise addressed above.

8. Internal Controls

The Committee shall review and discuss with management, the internal auditors, if applicable, and the independent auditor the adequacy and effectiveness of Etsy’s internal controls, including any changes, significant deficiencies or material weaknesses in those controls reported by the independent auditor, the internal auditors, if applicable, or management and any special audit steps adopted in light of any material control deficiencies, and any fraud, whether or not material, that involves management or other Etsy employees who have a significant role in Etsy’s internal controls.

9. Disclosure Controls and Procedures

The Committee shall review and discuss the adequacy and effectiveness of Etsy’s disclosure controls and procedures.

10. Internal Audit

To obtain reasonable assurance with respect to work of the Internal Audit (“IA”) department, the Committee shall perform the following activities:

- At least annually, review and approve the proposed risk-based IA plan and budget in light of anticipated budget and staffing needs to complete the plan;
- Quarterly, review reports prepared by IA relating to the company’s risk management and internal controls; and
- On an as-needed basis, meet in executive session with the Head of IA to discuss any matters that the Committee and/or Head of IA believes should be discussed privately.

11. Legal and Regulatory Compliance

The Committee shall review periodically, with counsel, legal or regulatory matters that could have a material impact on Etsy’s financial statements. The Committee shall also consider and review with management, the independent auditor and counsel, as appropriate (including, if the Committee deems appropriate, special counsel, a separate accounting firm or other consultants and advisors) any correspondence with regulators or governmental agencies regarding Etsy’s financial statements or accounting policies and any published reports that raise material issues regarding Etsy’s financial statements or accounting policies.

12. Complaints

The Committee shall establish and oversee procedures for the receipt, retention, and treatment of complaints received by Etsy reporting accounting, internal accounting controls, or auditing matters, as well as for confidential and anonymous submissions by Etsy’s employees concerning questionable accounting or auditing matters.

16. Financial Activities

The Committee shall oversee Etsy's payment operations, cash management, investing activities, and tax planning and compliance via periodic reports on these operations/procedures.

17. Committee Charter and Performance Review

- The Committee shall review and reassess the adequacy of this charter at least annually and submit any recommended changes to the Board for approval.
- The Committee shall review and evaluate the performance of the Committee on an annual basis and its findings shall be reported to the Board.
