5/8/2020

EL PASO, Texas & NEW YORK--(BUSINESS WIRE)-- El Paso Electric Company (EPE) (NYSE: EE) and the Infrastructure Investments Fund (IIF) issued the following statement in connection with the order issued today by the Federal Energy Regulatory Commission (FERC):

"This is a routine procedural order that does not address the merits of any rehearing request. It serves the limited purpose of affording additional time for FERC to respond to rehearing requests. The March 30, 2020 FERC order conditionally authorizing the transaction remains in full force and effect, and we continue to anticipate closing the transaction in the first half of 2020."

As previously announced, the FERC's approval of the parties' mitigation plan is the last regulatory approval needed to close the proposed acquisition.
