## **El Paso Electric to Hold Rate Information Meetings for New Mexico Customers**

El Paso Electric will be holding a series of public meetings with its New Mexico residential customers to discuss changes to residential electric service rates that were recently approved by the New Mexico Public Regulatory Commission and how those changes will affect New Mexico residential customers. EPE representatives will be available to answer questions and provide helpful information on ways customers can reduce energy consumption, use energy efficiently and manage their electric bills.

The following meetings have been scheduled. Please choose any meeting that is convenient for you:

### **Las Cruces**

February 24 and March 1, 6:30 p.m.,  
Dona Ana County Government Center, 845 N. Motel Blvd, Room 1-113, Las Cruces, NM

### **Hatch**

March 8, 6:30 p.m.  
Hatch Community Center, 400 Hwy 187, Hatch, NM

### **Vado**

March 10, 6:30 p.m.,  
Dona Ana County/Vado Community Center, 180 La Fe Ave, Vado, NM

### **Sunland Park**

March 11, 6:30 p.m.  
City of Sunland Park Commission Chambers, 1000 McNutt Rd., Ste A, Sunland Park, NM

In the next few weeks, El Paso Electric will also schedule similar meetings for businesses and other non-residential customers.
