**AUDIT COMMITTEE CHARTER**

**I. STATEMENT OF POLICY**

The Audit Committee (the “**Committee**”) of the Board of Directors (the “**Board**”) of Five Below, Inc. (the “**Company**”) has the responsibility and authority to oversee the accounting and financial reporting processes of the Company, the integrity of the financial reports and other financial information and the audits of the Company’s financial statements. The Committee shall also review the qualifications, independence and performance, and approve the terms of engagement, of the Company’s independent auditor and prepare any reports required of the Committee under the rules of the Securities and Exchange Commission (“**SEC**”).

The Company shall provide appropriate funding, as determined by the Committee, to permit the Committee to perform its duties under this Charter, to compensate its advisors and to compensate any registered public accounting firm engaged for the purpose of rendering or issuing an audit report or related work or performing other audit, review or attest services for the Company. The Committee, at its discretion, has the authority to initiate investigations and hire legal, accounting or other outside advisors or experts to assist the Committee, as it deems necessary to fulfill its duties under this Charter and applicable law. The Committee may also perform such other activities consistent with this Charter, the Company’s Bylaws and governing law, as the Committee or the Board deems necessary or appropriate.

The Committee’s function is one of oversight only and shall not relieve the Company’s management of its responsibilities for preparing financial statements which accurately and fairly present the Company’s financial results and condition, or the responsibilities of the independent auditor relating to the audit or review of financial statements.

**II. ORGANIZATION AND MEMBERSHIP**

The Committee shall consist of three or more directors, each of whom shall satisfy the independence and experience requirements of the Securities Exchange Act of 1934, as amended, any rules and regulations promulgated thereunder by the SEC and the rules of The NASDAQ Stock Market LLC (“**NASDAQ**”). In addition, the Committee shall not include any member who:

- has participated in the preparation of the financial statements of the Company or any of its current subsidiaries at any time during the past three (3) years;

Each member of the Committee must be able to read and understand fundamental financial statements, including a balance sheet, income statement and cash flow statement. In addition, at least one member shall have past employment experience in finance or accounting, professional certification in accounting, or other comparable experience or background resulting in the individual being financially

Each member of the Committee shall be appointed annually by the Board on the recommendation of the Nominating and Corporate Governance Committee. No member of the Committee shall serve on more than three public company audit committees simultaneously unless the Board determines that such service will not impair the member's ability to effectively serve on the Committee. Any member of the Committee may be removed or replaced by the Board on the recommendation of the Nominating and Corporate Governance Committee at any time. Any vacancy occurring in the Committee shall be filled by the Board on the recommendation of the Nominating and Corporate Governance Committee. Each appointed Committee member will be subject to annual reconfirmation by the Board at the Board's annual meeting. The Chair (or in his or her absence, a member designated by the Chair) shall preside at all meetings of the Committee and set the agenda for each Committee meeting. A Secretary of the Committee may be selected by the Chair of the Committee. If no Chair is elected or designated, a Secretary of the Committee may be selected by two members of the Committee.

### **III. MEETINGS**

The Committee shall meet as often as it determines is necessary to carry out its responsibilities, but not less frequently than quarterly in advance of the release of quarterly financial results. Additional meetings may be scheduled as needed and may be called by the Chair of the Committee or, if there shall be no such chair, by two members of the Committee. The Committee shall have the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with the provisions of the Company's Bylaws that are applicable to a committee of the Board. Except as otherwise provided by statute, a majority of the members shall represent a quorum of the Committee for the transaction of business at any meeting. Formal action to be taken by the Committee shall be by unanimous written consent or by the affirmative vote of at least a majority of the members present (in person or by telephone conference call) at a meeting at which a quorum is present. A summary of all formal action taken by the Committee (or any subcommittee thereof) shall be reported at the next meeting of the Board following such action.

The Committee may, in its discretion, invite other directors of the Company, members of the Company's management or any other person, including, without limitation, the Internal Auditor, outside counsel or the independent auditor, whose presence the Committee believes to be desirable and appropriate to attend and observe meetings of the Committee.
