Forward-Looking Statements:

This news release includes forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 as contained in Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, which reflect management's current views and estimates regarding the Company's industry, business strategy, goals and expectations concerning its market position, future operations, margins, profitability, capital expenditures, liquidity and capital resources and other financial and operating information. Investors can identify these statements by the fact that they use words such as "anticipate," "assume," "believe," "continue," "could," "estimate," "expect," "intend," "may," "plan," "potential," "predict," "project," "future" and similar terms and phrases. The Company cannot assure investors that future developments affecting the Company will be those that it has anticipated. Actual results may differ materially from these expectations due to risks relating to the Company's strategy and expansion plans, the availability of suitable new store locations, risks that consumer spending may decline and that U.S. and global macroeconomic conditions may worsen, risks related to the Company's continued retention of its senior management and other key personnel, risks relating to changes in consumer preferences and economic conditions, risks relating to extreme weather, risks relating to the Company's distribution centers, quality or safety concerns about the Company's merchandise, events that may affect the Company's vendors, increased competition from other retailers including online retailers, risks relating to cyber security, risks relating to trade restrictions, risks associated with leasing substantial amounts of space, and other factors that are set forth in the Company's filings with the Securities and Exchange Commission ("SEC"), including risk factors contained in the Company's Annual Report on Form 10-K for the fiscal year ended February 1, 2014 filed with the SEC and available at www.sec.gov. If one or more of these risks or uncertainties materialize, or if any of the Company's assumptions prove incorrect, the Company's actual results may vary in material respects from those projected in these forward-looking statements. Any forward-looking statement made by the Company in this news release speaks only as of the date on which the Company makes it. Factors or events that could cause the Company's actual results to differ may emerge from time to time, and it is not possible for the Company to predict all of them. The Company undertakes no obligation to publicly update any forward looking statement, whether as a result of new information, future developments or otherwise, except as may be required by any applicable securities laws.
