## **WOW! NAMED NAMED "BEST PLACE TO WORK" IN INDIANA FOR 2ND CONSECUTIVE YEAR-WORK PERKS EARN EMPLOYER HIGH MARKS**

**EVANSVILLE, IN – May 11, 2012** - For the second year in a row, WOW!, a competitive provider of high-speed Internet, cable TV and phone has been named one of the best places to work in Indiana by Best Companies Group, the Indiana Chamber of Commerce, BizVoice®, Inside Indiana Business, the Indiana Economic Development Corporation and Best Companies Group.

The top companies are chosen based on employer reports about workplace practices and policies combined with comprehensive employee survey results. Winners were selected from two categories: small to medium-sized companies of between 15 and 249 U.S. employees, and large-sized companies with 250 or more employees nationwide. WOW! is 19th on the winner's list of large-sized companies.

The designation recognizes Indiana employers who create an environment in which employees feel valued and therefore are part of a workplace structure that's positive and productive for their business and the community. WOW!'s ranking came as a result of the many benefits provided to employees, which include free and discounted WOW! services, paid time off for employees to volunteer for a non-profit organization of their choice, free and discounted gym memberships, and an employer-sponsored assistance program that provides workshops and counseling on a variety of topics including personal wellness and financial education.

"Our team members work hard every day to create a WOW! experience for each other and our customers. It's an honor to have the Chamber recognize this hard work for two straight years," commented Robert DiNardo, Vice President and General Manager of WOW!'s Evansville market.

WOW! was honored at the 2012 Best Places to Work in Indiana Awards Dinner coordinated by the Indiana Chamber of Commerce on Thursday, May 3rd where their final ranking among the top companies was revealed.
